## 1. INTRODUCTION

The Financial Advisory and Intermediary Services (FAIS Act 37/2002) provides a duty on every Authorised Financial Services Provider (hereafter “the Provider”) to offer clients a formal process to resolve Complaints.

The process to resolve Complaints must offer the client an opportunity to lodge a Complaint with the Compliance Officer and that such Complaint must be resolved within 6 (six) weeks. Should it not be resolved within 6 (six) weeks, the matter can be escalated to the FAIS Ombud for a final ruling within 6 (six) months after a determination that the Provider cannot resolve the Complaint.

The Provider is constantly searching for new ways of improving client service experience through innovative ideas and personal attention. Client Complaints will be facilitated as fairly, effectively and promptly as possible.

Feedback from clients is highly valued as it gives the Provider the opportunity to constantly advance service delivery and processes by resolving any Complaints in a satisfactory manner.

## 2. DEFINITIONS

Unless the context clearly indicates otherwise, the following definitions shall have the meanings for purposes of this policy:

**“Complaint”** means a grievance or statement of dissatisfaction relating to a financial service rendered by the Provider or its Representatives to the complainant in which it is alleged that the Provider or a Representative:

- has failed to comply with a provision of the FAIS Act or has wilfully or negligently rendered a financial service, and as a result, the complainant has or is likely to suffer damage or financial prejudice
- has treated the complainant unfairly

**“FAIS Ombud”** means the Ombud of Financial Services Providers as referred to in Sec 20(2) of the FAIS Act

**“Resolution”** means the process of resolving a Complaint in accordance with the internal Complaint Resolution procedures of the Provider

**“Rules”** means a set of explicit governing principles of the office of the FAIS Ombud as published in the Gazette

## 3. COMPLAINTS MANAGEMENT MISSION

- Taking all necessary steps to investigate the Complaint after receipt and recording thereof, offering proper consideration.
- Addressing and resolving any Complaints received in a timely and fair manner.
- Being transparent in the Resolution process.

- Ensuring that responsibilities and mandates are delegated to facilitate disputes and an escalation process to staff with adequate expertise to improve services and dispute Resolution systems and procedures where necessary.
- Furnishing the client with comprehensive reasons and providing procedural advice and contact details of the relevant regulatory body in the instances where the outcome of a dispute is not satisfactory to the client.
- Maintaining appropriate records of all Complaints for a period of 5 (five) years.
- Implementing follow-up procedures to implement remedial actions to prevent similar Complaints from occurring and improve services and procedures.
- If necessary, appointing an independent mediator to resolve the Complaint to the benefit of both the client and the Provider.

A cost award may be made against the Respondent (the person against whom a Complaint was made). The Ombud may grant leave to appeal to the Board of Appeal. An application for leave to appeal must be made within 1 (one) month of the Ombud's determination.
